Paper Presentation:

A spark in any human's mind is priceless, as it has the potential to conquer the entire cosmos. And if that person is an engineer, there's certainly no stopping them. If you have an idea that you think could revolutionise the current electronics and communication research scenario, where better to debut them than at Probe! The Paper Presentation event is here to be a platform to convert your ideas into reality, and you can showcase your practical knowledge and win exciting prizes.

Prizes:

- Best paper gets a chance to feature on a reputed journal.
- Cash prizes for Top 3 papers worth 8000INR.

Topics:

1. Integrated Circuits and VLSI
2. Embedded Systems
3. Computer Architecture
4. Signal & Image Processing
5. Machine Learning
6. Robotics & Control
7. Networking
8. Telecommunications

Guidelines for Paper Submission:

Prospective authors are invited to submit papers reporting original unpublished research and recent developments in the topics related to the event. All papers should strictly comply with the standard IEEE camera-ready format (IEEE standard format, double column, and 10-point font). Submissions must include title, abstract, keywords, author and affiliation with email address.

The IEEE templates can be found at:
http://www.ieee.org/conferences_events/conferences/publishing/templates.html

Send the soft copy of camera ready paper in PDF and WORD format to probe2019events@gmail.com with "Paper_<author_name>_<college_ name>" as the subject.

Shortlisted students will have finals during Probe2019 at NIT-Trichy, where they can present their papers in the form of Power point presentation.

Important Dates:

Last date for Paper Submission: **22nd January 2019**

Notification of Acceptance: **25th January 2019**

Final paper submission: **31ˢᵗ January 2019**

Event Date: **3ʳᵈ February 2019**
